

Articles:

In 2009 I am working together with head of research PhD Elene Fleischer on 2 scientific articles:

- Forthcoming/2009 “The extended family – after the suicide”, in: *Crisis*
 Forthcoming/2009 “The Focus Group Interview – collecting sensitive data”, in: *Crisis*

Since 2001 I have passed on knowledge of education, management and democracy in 17 articles and in 14 articles as a co-writer, many of them published in the professional paper “Ungdomsskolen”. Here I wish to stress the articles, where I was fetched in as an expert to disseminate a given subject, namely:

- 2007 “The Gun Powder House – a club for young people” &
 “Voices from practice – the club as an alternative place of learning”, in: *Young people’s learning in the club- and leisure-time area*, Ungdomsringen. The article is based on 5 quantitative focus group interviews with young users and staff/management
- 2007 “Holbæk dreaming: The future of participant democracy”, in: *Danske Kommuner*, vol. 27
- 2006 “Give priority to the future citizens!, in: *Danske Kommuner*, vol. 12
- 2004 “What can we learn from that – and what’s next?, conclusion in:
Uddannelsesstyrelsens temahæfte, vol 6. How to disseminate solutions of the educational challenges of young Danish people with 2 languages
- 2004 “The Oracle of Delfi in 2008”, in: *Danske Kommuner*, vol. 21
- 2003 “www.kommunikationensVindue.dk – the Internet and a modified way of learning”, in: *IT - etiske temaer*, University of Southern Denmark, red: Peter Øhrstrøm. Dissemination of my thesis
- 2002 “Evaluation as documentation”, in: *Ungdomsskolen*, vol. 4
- 2001 “I’m just going online”, i *Samvirke*, vol. 11. Research dissemination (of my thesis)

Major publications:

I have been the conceptual developer, editor and/or writer of 16 major reports (varying extent: 20-130 pages). Here I wish to stress the following:

- 2009 “*The new setting of the Centre Department – Users’ wishes catalogue*”
 Report of 6 months of user-involvement in relation to the building of a new school in Svendborg
- 2009 “*Users’ evaluation concerning the Youth area in 2 Danish municipalities: Holbæk and Frederikshavn*”
 Report of a one-year cooperation project between the youth areas in the 2 municipalities. The result is a comparative analysis of the services in the 2 municipalities focusing on “Next Practice”. For the analysis I collected both quantitative and qualitative data material
- 2005 “*What was going on? – Youth policy toolbox*”. Report from one year’s work of designing and facilitating the elaboration of a municipal youth policy in Holbæk
- 2000 “*Reflections concerning the abductive society. The Internet seen as an exponent of a comprehensive and cultural/historical analysis of the changing of a paradigm*”
 My thesis from Cultural Studies, University of Southern Denmark
